

## 2019 Transfer of Value Declaration

**Period: Jan 2019 - Dec 2019**

The pharmaceutical industry in the United Kingdom is committed to patients by operating in a transparent manner to ensure the appropriate use of medicines and support the provision of high quality healthcare.

Open communication about interactions with individuals and healthcare organisations helps foster trust with patients, the NHS, and the public, as well as full transparency.

The disclosure of payments to individuals is an industry-led initiative, which Morningside Healthcare support and a full list of payments to individuals and healthcare organisations can be found below.

Where permission to disclose transfers of value is refused by individual health professionals, the transfer of value made to them is disclosed in an aggregated fashion.

Data included:

The data can be categorised as follows:

### 1, Payment of consultants who provide services to Morningside Healthcare

- Disclosed data includes the payment of honoraria to UK health professionals who provided services to Morningside Healthcare during 2018. Where applicable, the disclosure data also includes payment of reasonable expenses to such consultants in the delivery of their services, such as travel expenses or accommodation expenses.  
For data protection and privacy reasons, the transfer of value made to individual health professionals is disclosed in an aggregated fashion.
- **No transfers of value were made in 2019.**
